Balloon Passes Over Paris.

A large balloon passed over Paris Wednesday afternoon about 3:30 o'clock and was sailing rapidly in the direction of Lexington where it was observed by quite a number of citizens in the latter city through field glasses. The car of the balloon contained two persons, who could be distinctly seen moving about. The balloon was first noticed here by persons at the L. & N. passenger depot. An empty beer bottle was found by Ground-keeper Nix, near the base ball park, after the game Wednesday afternoon, which was evidently dropped from the balloon as it sailed over for it contained the following note: "We are from Dayton, O., destination not known. Luck to the home team."

Will Set Dinner at Fair.

At a call meeting Tuesday morning the School Improvement League decided to furnish dinner at the Bourbon Fair. The League realizes that this is a large undertaking but wishes not only to add very materially to their school fund but also to help the fair directors and Association and to uphold the reputation of the county for hospitality and good things to eat. In consenting to set the dinner, the ladies are counting on the interest and hearty support of the people, both in Paris and in the county, and the League wishes to emphasize the fact that the proceeds will go to the betterment of the rural schools.

The committee for each day and other details will be announced tomorrow.
